Approaching the Finish Line *Hebrews 12:1-2*

Boeing Field, Seattle

Here we are at last. The finish line is in sight. We have been laboring 6 years for this. We are very excited to be nearing the end of our time at Moody Aviation. The Lord is already beginning to open doors into our future ministry. That being said we are also on guard knowing that the last part of the race is often the most difficult. We spent our time off rejuvenating and seeking the Lord about what He has next for us. As we have shared before, we feel a definite leading toward beginning a high school ministry that will incorporate aviation and the Gospel as an outreach into

Family Life *Psalms 127:3-5*

We had the opportunity to share Christmas with our friends and family back in Iowa. It was a tremendous blessing to spend so much time with everyone. We were also able to share our Christmas with Tamim (Our Saudi exchange student) before he moved to San Diego. He really enjoyed seeing our traditions and discussing Christianity and Islam. It was neat to see the excitement on his face as he had so many new experiences.

We are in the process of acquiring another homestay student for the last 5 months of our time here.

Alena has a new preschool

teacher. Ms. Heather loves the Lord and is excited to be teaching this class. Alena has adjusted very well, which is a really big thing for her to do. She has also been asking a lot of questions about God and about the ones that she loves being saved. It is so sweet to see her "child-like faith". Chances are she has asked if she will see you in Heaven.

Azaryah seems to think his mission is to torment his sisters, but he makes sure to add in just enough love so that they know he cares. He had a very close call the other day as he stuck a penny against the prongs in to the vacuum while it was plugged in. It blew a breaker, turned

time he will begin to make connections with the local high schools.

We have made some invaluable connections in the Christian community and we are beginning to see some pretty amazing plans begin to develop. Not all the details can be shared now as some are still in the dreaming and birthing stage, but there will certainly be good news to follow. We see the ministry we are involved in beginning locally but we believe it is God's plan to do much more with it as we remain faithful to Him and His calling.

We have also been invited to take a teaching position at our local church in Iowa. This is something that has been on Daniel's heart for some time. Lastly our church was offered up as a place for youth to hang out and grow so we see the aviation ministry branching into our local church, as a place for discipleship for those exiting their old life.

the outlet black, burned the plug in to the vacuum, but NOTHING happened to him. We are thankful for God's protection over him. A few weeks before he stuck a key in the outlet!

Hosanna is definitely the littlest of the bunch, but you wouldn't know it by her voice, she makes sure you know she is there. She is LOUD. She is growing so fast and learning new things everyday. She is starting to talk a lot more now.

Dawn has been called to join the worship team at church and is very excited. In doing this, she has felt led to step down from some other areas

Financial Summary

Spring Semester

tuition and fees	\$16,284
Scholarships & Grants:	-\$5,775
GI Bill	-\$9,323
Fall balance remaining	+ \$1,500
Other contributions	-\$150

Praise Reports

- Finished Fall semester with only \$1500 owed!
- Open door with Marion airport and teaching position in Iowa
- Alena beginning to ask many insightful questions about Jesus
- GI bill contribution doubled from last semester
- Getting another homestay student
- Renewed sense of guidance and energy from the Lord

God and family are still her top priority. So she is now only doing the worship team and being a Discussion Group Leader at MOPS, as a witness to other moms of what Christ has done in her life.

Daniel and Dawn are still promoting the Body by Vi challenge and as mentioned later you can join us on the challenge and this will not only support our ministry, but be a way for you to get healthy at the same time. Hoping for God's blessing and guidance for you!

"Pray for us, for we are sure that we have a good conscience, desiring to conduct ourselves honorably in all things." Hebrews 13:18

Ways to be Involved

We had many people ask us how they can support us as we continue this endeavor. If you desire to support us financially there are a number of ways. To give a tax deductible donation online go to proclaimaviation.org. Click donate. Select: Next Generation Fund. In the comments put Daniel Dietz id 2213480. There is a 5% fee that they charge for processing. Or you can give to our home church in Iowa: Harvest Life 167 Jacolyn Dr. SW Cedar Rapids, IA 52405. They will give all the funds to my schooling and also issue you a tax receipt.

To support us in the ministry we also launched a shake campaign. We're praying for an army of people who would be willing to replace a meal a day with a healthy protein shake, and pray for our ministry while drinking it. Simple!

The meal replacement shakes are delicious and cost less than \$2 each. Compare that to McDonalds, Starbucks or coffee and a bagel at your favorite shop. It's a fast, healthy way to start your day.

If you are looking to lose weight, the BodyByVi 90-Day Challenge shakes have empowered people to lose more than 7 million pounds in just the last two years. The product really works and we have thousands of success stories to prove it. In fact, The 90-Day Challenge with Visalus is the fastest growing weight loss program in the world today.

You can get your shakes for FREE just by referring three customers. You do not have to "start your own business" to get free shakes. You can simply be a happy customer who has breakfast for free everyday! Go to www.90DaysToNew.com to see more. Thanks!

Closing Thoughts

When we left Iowa 6 years ago as newlyweds, we had a simple vision from the Lord and mustard seed faith that He would guide us. We left with about \$2000 dollars, a jeep and a little Uhaul trailer worth of stuff. We are now returning to Iowa with and expanded and focused vision for ministry, 3 beautiful children, a GIANT Uhaul; all because of God's faithfulness and provision. We want this to be an encouragement for those who at one time had the desire to dream big dreams. God is the ultimate provider of vision and dreams. Hab. 2:3 talks about vision being for the appointed time and waiting for it. We almost gave up many times. We grew weary, we nearly

fainted but God is faithful to His promises. We believed and trusted Him that He was able even when we were not. Many stop pursuing God given dreams when difficulty comes thinking it is redirection or a closed door. We have learned that most times these obstacles are simply an opportunity for God to grow faith and trust in Him. It simply takes pushing harder on the door to see that it was His guidance all along. We want to reiterate OVER and OVER that it is not because we are so full of faith that God has done what He has. Abraham made SO many mistakes as he went on his journey with God. But he continued to trust and follow and that is why God honored him

II Chronicles 16:9

with so many promises and blessings. Keep pursuing Him, keep desiring His glory, keep trusting that He is going to finish what He started so long ago. Below is one of my favorite quotes about our time and place in history. We all as followers of Christ have an opportunity to make an impact on eternity that is easily forgotten if we focus on goals that only last for this life. Make goals that will last for eternity! It's all about loving people.

Daniel 12:3 "And they that be wise shall shine as the brightness of the expanse of heaven, and those who lead many to righteousness, like the stars forever and ever."

We hope you are truly blessed and that you will continue to stand behind us as we press on toward the goal of the upward call of Christ Jesus with aviation and hopefully soon high school ministry.

*Be blessed,
The Dietz's*

If we will do God's work in God's way at God's time with God's power, we shall have God's blessing and the devil's curses. When God opens the windows of heaven to bless us, the devil will open the door of hell to blast us.
